College of Arts and Sciences

Art

Art (BA) Studio Art

SLO01: Demonstrates Problem Solving and Critical Analysis
A student demonstrates problem solving abilities and ways to analyze artworks. A student conducts research, evaluates visual and written information and applies it effectively in studio art.

SLO02: Precepts and Principles of Studio Art
A student demonstrates a fundamental understanding of visual vocabulary, precepts and principles inherent in studio art practice. Additionally a student will focus on ways to generate imaginative, exploratory, and inventive visual images.

SLO03: Presents New and Traditional Media Processes
A student will demonstrate a fundamental understanding of a variety of traditional and contemporary processes and effectively command a range of skills and methods in their studio practice.
