Community & Therapeutic Recreation

Parks and Recreation Management (MS)

SLO01: To Assess the Conceptual Foundations Guiding RPM
Students will analyze, synthesize, and evaluate the conceptual foundations of parks and recreation service delivery.

SLO02: To Apply Research Techniques & Results in RPM
Students will plan, conduct, critique, and utilize research techniques and findings pertinent to recreation and parks service delivery.

SLO03: To Apply Critical Thinking Skills of the Management of PRM Services
Students in RPM 613, Management in Parks and Recreation, prepare and present a comprehensive analysis of the management of the physical aspects of a park, open space, or recreation facility. Evaluation of this assignment will place the student on a scale reflecting four levels: mastery, competency, meeting minimum standards, and no competency.

SLO04: To Demonstrate Comprehensive Application through Capstone Experience
