SLO01: Distinguish Norm and Legal Code Violations
Distinguish between theories and research applicable to norm violations (deviance) and those applicable to legal code violations (criminal and civil).

SLO02: Understand Criminal Justice System
Demonstrate a basic understanding of the functioning of the criminal justice system and the processing of adult and juvenile offenders within the larger social context of U.S. society.

SLO03: Use Sociological & Criminological Concepts
Define and apply basic sociological and criminological concepts that are used in micro- and macro-criminological theory and research.
