Sociology

Sociology (MA) Criminology

SLO01: Communicate Sociological, Criminological Analysis
MA students in the criminology concentration are expected to communicate coherent sociological and criminological analyses of criminal and deviant behavior in both written and spoken forms.

SLO02: Understand the Criminal Justice System
MA students in the criminology concentration are expected to demonstrate an understanding of the operation of the criminal justice system and how sociological factors affect this system.

SLO03: Use Sociological and Criminological Concepts
MA students in the criminology concentration are expected to evaluate, synthesize, and apply sociological and criminological concepts at different levels of analysis.
