College of Arts and Sciences

Special Programs in Liberal Studies

Special Programs in Liberal Studies (BA) International and Global Studies

SLO01: Research
Students will be able to locate and comprehend information provided by a range of authoritative sources pertinent to the study of international and global issues.

SLO02: Critical Analysis and Evaluation
Students will be able to analyze critically and evaluate international and global issues through the application of research.

SLO03: Intercultural Sensitivity
Students will be able to interact effectively and appropriately in cultural contexts different from their own.

SLO04: Communication Skills
Students will be able to communicate relevant facts and argue positions, orally and in writing, in a clear and persuasive manner, appropriate to a given audience and occasion, relating to international and global topics.

SLO05: Foreign Language
Students will attain a third-year-level college proficiency in a foreign language.
