Discussion Item: International Student Visa Status and Course Loads

VII. Report of the Student Affairs Subcommittee – Anthony Cuda

VIII. New Business/Other

Curriculum Task Force Recommendation for GSC vote - The UCC has approved a motion to make changes to the Form D (Routine Change) to use the same language as that of the revised Form A (Essential Course Information in lieu of submitting a course syllabus). At present, Form D requires the submission of a course syllabus for a change in the mode of delivery. Per the recommendations of the Task Force, UCC and GSC were asked to consider this change to Form D because it will require a change to the Curriculum Guide.

Changes to the forms are as follows:

1) Form D

- Revised to replace the "attach syllabus" with the "Essential Course Information" from Form A.

2) Form A Signature Sheet

Following the discussion at the UCC regarding some units having their dean sign the Form A, the signature sheet has been revised to provide units with an option for the dean to sign it.
