Items for vote:

2. Approve exemption from GRE requirement for MFA in Creative Writing program admission process as requested by their faculty, since numerous high quality MFA programs also do not require it and a writing sample is required.
3. Deny request from TEHE for GRE exemption for MAT program, since it is designed for non-licensed teachers with little classroom experience, and many programs in-state do require GRE. Request to exempt applicants holding a previous graduate degree from regionally accredited college or university will be taken up in April meeting following ETS campus visit on March 26.
