III. MAC Implementation

- Foundations: 100/200-level
- Foundations: Restrictions
- Oral Communication & Written Communication Caps
- Diversity & Equity SLOs
- CTI competencies in the disciplines

Chair advised MAC catalog language was forwarded to the Implementation Committee. Discussion concerning SACSCOC requirement for breadth of knowledge in a General Education Program. Proposal put forward to require that each of the three CTI classes (HFA, SBS, and NTS) come from different departmental prefixes. Discussion continued; this could become an issue from a Degree Works/advising perspective. Lisa Henline shared that the URO will bring in a consultant to review this request within Degree Works.

We will schedule an additional Council meeting to discuss MAC implementation language.
