III. Discussion Items

- Consultations

Committee reviewed Wade Maki's suggestions regarding consultations. Chair advised the Graduate Curriculum Committee is finalizing their Quality Improvement Project which included the need for consultations. Discussion concerned CIM workflow and the need for additional documentation concerning committee votes/discussion. Suggestion to update CIM form to ask curriculum committees to include a brief statement documenting committee discussion/vote or ask the question of there was significant objection to the proposal.

Discussion continued, UCC voting, abstentions, and recording of dissenting votes.

Lynn will send a Doodle poll to schedule the final meeting in April.
