<i>(11/19/21) Table, additional information needed, how does this fit within Religious Studies. Department is invited to attend December 3<sup>rd</sup> meeting.</i>		
Motion/Action: (Rowell, Poole) Table. UCC members had several concerns regarding program requirements. The proposed curriculum does not seem to represent a gaming studies curriculum. Does it contain enough of a component that students will gain the knowledge/skills related to Videogaming Cultures and Esports? Concern about the minor being housed in Religious Studies (a majority of curriculum is not in the department or College of Arts & Sciences). UCC/URO agreed to an extension of the Fall 2022 Catalog deadline.
