Chair advised that the Faculty Senate Parliamentarian shared UCC can discontinue programs, but program discontinuations can happen without UCC approval. The Chancellor can override the Constitution and/or the vote of committees. The Parliamentarian also stated UCC recommendations for program closures should first go to the Provost and then the Faculty Senate Chair, based on the Constitution.

Motion that all votes taken on matters concerning the Academic Portfolio Review be conducted by

secret ballot (Post, Smith), motion approved. This committee is on the record that this consultation should have taken place significantly earlier than it is taking place. Due to the compressed timeline, the committee's ability to provide any meaningful consultation to the Provost and Chancellor about these recommendations is severely limited.

Chair will continue to share additional information with committee members.
