Jodi Pettazzoni	Associate Vice Provost & Director of the Office of Assessment, Accreditation, and Academic Program Planning
Dana Saunders	Assistant Dean for Advising & Student Success

AGENDA ITEMS:

I. Approval of Minutes from April 12, 2024

II. MAC/GEC Appeals

- 73916 – Request to allow GEOG 302 to satisfy MAC Critical Thinking and Inquiry in the Natural Sciences competency. *Note: Request for BIO 112 previously tabled; Council suggested advisor resubmit request with GEOG 302 syllabus. Council would like to see the syllabus for GEOL 302, Morphology (This is currently on her DW as GES 000) Ultimately, a waiver isn't a possibility and the Council is very reluctant to grant a one-time substitution using a course that already fulfills another MAC competency, so they would like to consider options for science courses that don't have a UNCG equivalent that already is in the MAC.*
